Application to Parliament Private Bills

PUBLIC NOTICE

LEGISLATIVE ASSEMBLY OF ONTARIO

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Municipal Board for their report; and a copy of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

CORPORATION OF THE TOWN OF HAWKESBURY

NOTICE IS HEREBY GIVEN that the following petition has been lodged with the Clerk of the Legislative Assembly and the Lieutenant Governor of Ontario for the passing of a Private Bill and that the following is a true copy of the petition addressed to the Honourable Lieutenant Governor of Ontario and to the Honourable the Legislative Assembly of the Province of Ontario in Parliament assembled at the forthcoming session.

J. B. CULLIERIER,
Clerk-Treasurer,
Town of Hawkesbury.

PETITION

To the Honourable the Legislative Assembly of the Province of Ontario in Parliament assembled.

The Petition of the undersigned, the Corporation of the Town of Hawkesbury, humbly sheweth that:

1. By-laws 2003 and 2004 hereto annexed, and marked as Exhibits "A" and "B" to this petition, were passed in first and second reading on or about the 24th day of May, 1960, and through error or inadvertence the said By-laws did not receive sanction of the Ontario Municipal Board nor were they finally read and passed.

2. The aforesaid By-laws pertained to the construction under The Local Improvement Act of storm sewers, sanitary sewer mains, and water services, along certain streets within the Corporation limits of the Town of Hawkesbury and the work was completed and the services were installed.

3. The persons concerned have been assessed for the sums of money expended and, although some have paid, others have refused payment maintaining the By-laws to be invalid.

4. Unless the within petition is granted, the burden of payment for the said work will fall upon the general ratepayers of the Town of Hawkesbury as a whole, instead of upon the persons assessable under the provisions of The Local Improvement Act; wherefore your petitioners humbly pray that your Honourable House may be pleased to pass an Act to give force and effect to By-laws 2003 and 2004 notwithstanding the failure of the Corporation of the Town of Hawkesbury to obtain the approval for such By-laws from the Ontario Municipal Board and to give the same third reading.

VICTOR BRUNEAU,
Mayor.

J. B. CULLIERIER,
Clerk.

CORPORATION OF THE TOWN OF HAWKESBURY

By-LAW No. 2003

BEING a By-law to authorize the construction of water-main and water service pipes on Dufferin Street from Main Street to Lansdowne Street, a distance of approximately 850 feet, as a local improvement under the provisions of The Local Improvement Act.

Whereas Eugene Brunette and others have petitioned the Municipal Council to construct, as a local improvement the works hereinafter described, and the Clerk has certified that the petition is sufficient;

And Whereas the Municipal Council has also been petitioned and feels it is expedient to construct as a local improvement, private water service pipes from the watermain to the street line on both sides of the street as hereinafter described;

And Whereas it is expedient to grant the prayer of the petitioners in the manner hereinafter provided;

And Whereas the Municipal Council has procured to be made the reports, estimates and statements required for undertaking the said works.

Therefore the Municipal Council of the Corporation of the Town of Hawkesbury enacts as follows:

1. (a) That a 6" i/d cast iron Class 22 M.J. water-main be constructed in Dufferin Street from Main Street to Lansdowne Street, a distance of approximately 850 lineal feet, as a local improvement under the provisions of The Local Improvement Act;
- (b) That (this By-law being passed by a vote of two-thirds of all members of Council) water service pipes be constructed as a local improvement under the provisions of The Local Improvement Act, applicable to such works, from the watermain to the street line on both sides of Dufferin Street and that the cost of water service pipe shall be especially assessed upon the particular lot for or in connection with which it is constructed by an equal special rate per foot of the frontage of such lot and the provisions of subsection 4 of section 3 of The Local Improvement Act shall apply.

2. That the engineer of the Corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the works, (or for carrying on and executing the works by day labour).
3. The works shall be carried on and executed under the supervision and according to the directions and orders of said engineer.
4. The Mayor and Clerk are authorized to cause a contract for the construction of the works to be made and entered into with some person or persons, firms or corporation, subject to the approval of this Council, to be declared by a resolution, (unless this Council decides by a resolution to carry on and execute the works by day labour, in which event the works shall be carried on and executed by day labour).
5. The Treasurer may (subject to the approval of Council) agree with any bank or person for temporary advances of money to meet the cost of the works pending the completion of it.
6. That the special assessment shall be paid in fifteen (15) annual instalments.
7. The debentures to be issued for the loan to be effected to pay for the works when completed shall bear interest at such rate as Council may determine and be made payable within fifteen (15) years on the instalment plan.
8. That any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, if such payment is made within one month from the date of the final sittings of the Court of Revision for the revision of the special assessment roll, and at any time thereafter by the payment of the balance of the cost of construction assessed upon such lot together with the sum of money representing the difference between the amount of interest payable under the debentures issued for the payment of said cost and the interest realizable from the investment of said cash payment at the then prevailing rate of interest.

Done and passed in open Council by a vote of two-thirds of all members of Council, signed by the Mayor and Clerk after a first and second reading, this 24th day of May, 1960.

ROSAIRE GASCON,
Mayor.

J. L. E. GELINEAU,
Clerk.

Finally passed on third reading, by a vote of two-thirds of all members of Council, and sealed with the seal of the Corporation, this day of , 1960.

CORPORATION OF THE TOWN OF HAWKESBURY

By-Law No. 2004

BEING a By-law to authorize the construction of a storm sewer, a sanitary sewermain and private drain connections on Dufferin Street from Main Street to Lansdowne Street as a local improvement under the provisions of The Local Improvement Act.

Whereas Eugene Brunette and others have petitioned the Council to construct, as a local improvement, the works hereinafter described, and the Clerk has certified that the petition is sufficient;

And Whereas Council has also been petitioned and feels it is expedient to construct as a local improvement private drain connection from the sewermain to the street line on both sides of Dufferin Street, as hereinafter described;

And Whereas it is expedient to grant the prayer of the petitioners in the manner hereinafter provided;

And Whereas Council has procured to be made the reports, estimates and statements required for undertaking the said works.

Therefore the Municipal Council of the Corporation of the Town of Hawkesbury enacts as follows:

1. (a) That a 24" i/d Class III concrete storm sewer be constructed on Dufferin Street from Lansdowne Street to the north side of Main Street East, a distance of approximately 960 feet as a local improvement under the provisions of The Local Improvement Act;
- (b) That a 12" i/d Class III concrete sanitary sewermain be constructed on Dufferin Street from Lansdowne Street to Main Street a distance of approximately 850 feet, as a local improvement under the provisions of The Local Improvement Act;
- (c) That (this By-law being passed by a vote of two-thirds of all members of Council) private drain connections be constructed as a local improvement under the provisions of The Local Improvement Act applicable to such works, from the sewermain to the street line on both sides of Dufferin Street, and that the cost of each private drain connection shall be especially assessed upon the particular lot for or in connections with which it is constructed by an equal special rate per foot of the frontage of such lot and the provisions of subsection (4) of section 3 of The Local Improvement Act shall apply.
2. That the engineer of the Corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the works, (or for carrying on and executing the works by day labour).
3. That the works shall be carried on and executed under the supervision and according to the directions and orders of said engineer.
4. That the Mayor and Clerk are authorized to cause a contract for the construction of the works to be made and entered into with some person or persons, firms or corporation, subject to the approval of this Council, to be declared by a resolution, (unless this Council decides by a resolution to carry on and execute the works by day labour, in which event the works shall be carried on and executed by day labour).

TAKE NOTICE that the Corporation of the City of Kitchener will make application to the Legislative Assembly of Ontario for a Private Bill to dissolve the Kitchener Board of Park Management and the Kitchener Recreation Commission and to establish a Parks and Recreation Commission for the City of Kitchener.

The text of the proposed Private Bill is as follows:

AN ACT RESPECTING THE CITY OF KITCHENER

WHEREAS the Corporation of the City of Kitchener by its petition has represented that it is desirous of providing for the establishment of a Parks and Recreation Commission for the better development and supervision of its public parks and recreation facilities, and that for such purposes it is necessary to endow such Commission with all the duties, responsibilities, powers and privileges of the Kitchener Recreation Commission established under The Department of Education Act and the Kitchener Board of Park Management established under The Public Parks Act; and whereas the petitioner has prayed for special legislation in respect of such matters; and whereas it is expedient to grant the prayer of the petition;

THEREFORE, Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. In this Act,

- (a) "City" means the Corporation of the City of Kitchener; and
- (b) "Council" means the Council of the Corporation of the City of Kitchener.

2.—(1) Notwithstanding The Department of Education Act and the regulations thereunder and The Public Parks Act there shall be a Commission to be known as the Parks and Recreation Commission of the City of Kitchener which shall be a Corporation and shall be composed of,

- (a) the head of the Council;
- (b) one member of the Council to be appointed by the Council; and
- (c) eight persons, appointed by the Council, who are qualified to be elected as members of Council but who are not members thereof.

(2) The head of the Council, with the approval of the Council, may appoint a substitute, who is a member of the Council, to act for him from time to time.

(3) The members of the Commission who are not members of the Council shall hold office for two years and until their successors are appointed, provided that, on the first appointment, the members shall hold office until the end of the year next following the appointment in which a municipal election is to be held to elect members of the Council.

(4) Where a member of the Commission ceases to be a member before the expiration of his term of office, the Council shall appoint another qualified person in his place who shall hold office for the remainder of his term and until his successor is appointed.

(5) A majority of the members of the Commission constitutes a quorum.

(6) At the first meeting of every year the Commission shall elect a chairman and a vice-chairman from among the members of the Commission and, in the absence of the chairman, the vice-chairman shall preside.

(7) The Commission shall appoint a secretary-treasurer, who may be a member of the Commission, and may engage such employees and consultants as is deemed expedient.

3. Except as otherwise provided in this Act, The Department of Education Act and the regulations thereunder and The Public Parks Act apply to the Commission as if it had been established in accordance with such Acts and regulations.

4. Upon this Act coming into force,

- (a) the Kitchener Board of Park Management and the Kitchener Recreation Commission are dissolved and the assets and liabilities thereof become the assets and liabilities of the Kitchener Parks and Recreation Commission;
- (b) By-law No. 518 of the Town of Berlin, By-law No. 523 of the Town of Berlin, and By-law No. 3049 of the City, and any by-laws amending the same, are repealed.

5.—(1) The Commission shall on or before the 1st day of February in each year submit to the Council an itemized estimate of its financial requirements for the year and, subject to the provisions of The Public Parks Act, the Council may amend such estimate and shall pay to the secretary-treasurer of the Commission out of moneys appropriated for the Commission such amounts as may be requisitioned from time to time.

(2) Where any moneys have been included in the estimates of the Commission for a specific purpose, they may be used by the Commission only for such specific purpose and not otherwise.

6. This Act comes into force on the day it receives Royal Assent.

7. This Act may be cited as The City of Kitchener Act, 1965.

THE CONSERVATION AUTHORITIES ACT

O. Reg. 322/64.

Fill and Construction.

Made—July 31st, 1964.

Approved—December 10th, 1964.

Filed—December 10th, 1964.

REGULATION MADE UNDER THE CONSERVATION AUTHORITIES ACT

FILL AND CONSTRUCTION

1. In this Regulation,

- (a) "Authority" means the Upper Thames River Conservation Authority;
- (b) "building or structure" means building or structure of any kind;
- (c) "fill" means fill of any kind.

2. The areas defined in the Schedule are designated as areas in which in the opinion of the Authority the control of flooding or pollution or the conservation of land may be affected by the placing or dumping of fill.

3. Subject to section 4, no person shall,

- (a) construct any building or structure or permit any building or structure to be constructed in or on a pond or swamp or in any area below the high-water mark of a lake, river, creek or stream; or
- (b) place or dump fill or permit fill to be placed or dumped in the area designated in the Schedule.

4. Subject to *The Ontario Water Resources Commission Act* or to any private interest, the Authority may permit in writing the construction of any building or structure or the placing or dumping of fill in any area to which section 3 applies if, in the opinion of the Authority, the site of the building or structure or dumping and the method of the construction or dumping would not affect the control of flooding or pollution or the conservation of the land.

5. No person shall begin to construct any building or structure or dump or place fill in any area to which section 3 applies before the permission required by section 4 has been obtained.

6.—(1) A signed application for permission to construct a building or structure shall be filed with the Authority and shall include,

- (a) four copies of a plan of the property showing the proposed location of the building or structure, its elevation, and the proposed final grade plan;
- (b) four copies of a complete description of the type of building or structure to be constructed, including drainage details;
- (c) four copies of a statement of the dates between which the construction will be carried out; and
- (d) four copies of a statement of the proposed use of the building or structure following completion of the construction.

(2) A signed application for permission to place or dump fill shall be filed with the Authority and shall include,

- (a) four copies of a plan of the property on which the fill is to be placed, showing the proposed location of filling, the depth to which it is proposed to fill, and the proposed final grade of the land when filling is completed;
- (b) four copies of a complete description of the type of fill proposed to be placed or dumped;
- (c) four copies of a statement of the dates between which the placing or dumping will be carried out; and
- (d) four copies of a statement of the proposed use of the land following completion of placing or dumping.

7. The Authority may, at any time, withdraw any permission given under section 4 if, in the opinion of the Authority, the representations contained in the application for the permission are not carried out.

8. Ontario Regulation 139/61 is revoked.

Schedule

That part of the watershed of the Thames River in the County of Middlesex extending upstream from the northwesterly corner of the City of London, adjacent to Lot 28 in Concession 2 of the Township of London to,

- (a) the Fanshawe Dam on the north branch of the River Thames, in Lot 3 in concessions III and IV in the Township of London; and
- (b) the road forming the boundary between the Township of Westminster and the Township of Dorchester North at the bridge crossing the south branch of the River Thames,

52

Grant's Transport Limited,

New Liskeard, Ontario.

01966

The Ontario Highway Transport Board, pursuant to Section 16 of The Ontario Highway Transport Board Act, will review the terms of the certificate which led to the issuance of Class 'K' public commercial vehicle operating licence No. 212, as it would appear that the licensee has failed to file its Tariff of Tolls under Regulation 503 of R.R.O. 1960 as amended by Ontario Regulation 215/61, 366/61, 263/62 and 331/62, and has fixed Tuesday, the 9th day of February, 1965, at 10 a.m. (E.S.T.) at its Chambers, 67 College Street, Toronto, Ontario, for that purpose.

A. H. McLAREN,
Secretary.

(1707)

52

Douglas J. Breadner, Esq.,

R.R. No. 2, Markdale, Ontario.

03023

The Ontario Highway Transport Board, pursuant to Section 16 of The Ontario Highway Transport Board Act, will review the terms of the certificates which led to the issuance of Class 'C' public commercial vehicle operating licence No. 655, and more particularly those portions of the said certificates which read:

- (a) PROVIDED that in any licence issued pursuant to this certificate, the licensee shall be prohibited from carrying feed, fertilizer and supplies for use in the operation and maintenance of farms only to the Village of Markdale.

CLASS 'F' PRIVILEGE: For the carriage of road construction materials; and

- (b) ALSO the conveyance of fertilizer and feed and farm supplies to Rocklyn and within a radius of ten miles thereof;

as there appears to be an earlier clause permitting the carriage of these commodities to the Village of Markdale, which the reviewee alleges is within the 10-mile radius of Rocklyn,

and has fixed Tuesday, the 9th day of February, 1965, at 10 a.m. (E.S.T.) at its Chambers, 67 College Street, Toronto, Ontario, for that purpose.

The Board may amend or revoke the terms of its certificates.

A. H. McLAREN,
Secretary.

The attention of Municipal Officials, Solicitors and all other persons who may be interested in the preparation of Private Bills for submission to the Legislative Assembly of Ontario is directed particularly to the following Rules of the House governing the submission of such Bills:

RULES RE SUBMISSION OF PRIVATE BILLS

63.—(1) No petition for any Private Bill is received by the House after the first two weeks of each Session nor may any Private Bill be presented to the House after the first three weeks of each Session; nor may any report of any Standing or Select Committee upon a Private Bill be received after the first six weeks of each Session; and no motion for the general suspension or modification of this Rule shall be entertained by the House unless after reference made thereof, at a previous sitting of the House, to the several Standing Committees charged with the consideration of Private Bills upon Report submitted to two or more of such committees.

64.—(1) Any person desiring to obtain a Private Bill shall deposit with the Clerk of the House at least eight (8) days before the meeting of the House a copy of such Bill together with a fee of \$150, and if such Bill is not deposited by that time the applicant shall pay \$10 for each and every day which intervenes between the said eighth day and the date of the filing of the Bill.

(2) After the first reading of the Bill and before its consideration by the Committee to which it is referred, the applicant in every case shall pay the cost of printing the Act in the Statutes.

(3) The following charges shall also be levied and paid in addition to the foregoing:

(a) When any rule of the House is suspended with reference to a Bill or the Petition therefor, for each suspension, \$50.

(b) When a Bill is presented to the House after the first three weeks of the Session and before the end of the fourth week, \$75.

(c) When a Bill is presented after the fourth week of the Session, \$100.

(4) In the case of any Bill incorporating a company or increasing the capital stock of a company already incorporated, there shall be paid to the Clerk of the House, by or on behalf of the applicant, before the same is reported to the House, the same fee as would be payable to the Provincial Secretary in the case of an incorporation or increase of capital under the provisions of The Corporations Act, less the sum of \$150 already paid to the Clerk of the House.

(5) When a Bill is for the purpose of confirming by-laws, bonds, debentures or other securities, or authority is asked to borrow money or to increase borrowing powers, the following additional fees shall be paid according to the amount of money involved:

On amounts less than \$10,000, \$25; on amounts over \$10,000 and up to \$25,000, \$50; on amounts over \$25,000 and up to \$40,000, \$75; on amounts over \$40,000 and up to \$75,000, \$100; on amounts over \$75,000 and up to \$125,000, \$125; on amounts over \$125,000 and up to \$175,000, \$150; on amounts over \$175,000 and up to \$250,000, \$200; on amounts over \$250,000 and up to \$350,000, \$250; and an additional fee of \$50 for every \$100,000 over \$350,000.

66. All applications for Private Bills properly the subject of legislation by the Legislative Assembly of Ontario, within the purview of "The British North America Act, 1867", shall require a Notice, clearly and distinctly specifying the nature and object of the application and, where the application refers to any proposed work, indicating generally the location of the work, and signed by or on behalf of the applicants, such Notice to be published as follows, viz.:

A notice inserted in THE ONTARIO GAZETTE and in one newspaper published in the Municipality affected, or, if there be no newspaper published therein, then in a newspaper in the next nearest municipality in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition.

If the application is by a Municipal Corporation for authority to issue debentures, the notice shall set out the particulars of the existing debenture debt and the amount of rateable property of the Municipality according to the last revised assessment roll of the Corporation, and in brief and general terms the object for which the new issue of debentures is required.

67. Before any Petition praying for leave to bring in a Private Bill for the erection of a Toll Bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the Notice required by the preceding Rule, also, at the same time and in the same manner, give Notice of the rates which they intend to ask, the extent of the privileges, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

68. Before any Petition praying for leave to bring in a Bill for the construction of Railways, Tramways or Canals is received by the House, the person or persons petitioning for such Bill shall deposit with the Clerk the following documents:

1. A map or plan upon a scale of not less than half an inch to the mile, showing the location upon which it is intended to construct the proposed work, and showing also the line of existing or authorized works of a similar character within, or in any way affecting, the district or any part thereof which the proposed work is intended to serve. Such map or plan shall be signed by the Engineer or other party making the same.

2. A book of reference in which shall be clearly set out the following information in separate schedules, namely:

SCHEDULE A.—The name of each municipality within which the proposed works or any part thereof are intended to be constructed; the population of each such municipality as returned by the next preceding census; the rateable value of the property within each such municipality, as returned by the next preceding assessment rolls thereof; and this schedule may contain in a separate statement similar information as to the adjoining districts intended to be served by the proposed work.

SCHEDULE B.—A general description of the nature, extent and proposed character of the contemplated works, and an estimate of the probable cost thereof, distinguishing the general items of construction and the cost thereof respectively, as well as the nature, extent and probable cost of all engines and car stock or other outfit or equipment necessary to the use and operation of the proposed undertaking, such schedule to be signed by the Engineer or other person preparing the same.

SCHEDULE C.—An exhibit showing the total amount of capital proposed to be raised for the purposes of the undertaking and the manner in which it is proposed to raise the same, whether by ordinary shares, bonds, debentures or other securities, and the amounts of each respectively.

SCHEDULE D.—An estimate of the probable revenues of the proposed undertaking, showing the sources whence the same are expected to be derived; the annual earnings thereof respectively; the probable annual cost of operation or working expenditure, and the annual net revenue applicable to the payment of interest on the proposed investments.

Such schedules shall be signed by the person preparing the same.

72. When any Bill for confirming any Letters Patent, or Agreement, is presented to the House, the copy of such Letters Patent, or Agreement, shall be attached to it.

74. Every Private Bill, when read a first time, unless it be an Estate Bill or a Bill providing for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, shall stand referred to the proper Standing Committee, and all petitions before the House, for or against the Bill, are considered referred to such Committee.

75. Every Private Bill, in so far as it provides for the consolidation of a floating debt or for the consolidation or renewal of debentures (other than local improvement debentures) of a Municipal Corporation, when a Bill has been read the first time, shall, without special reference, stand referred to The Ontario Municipal Board for their report; and a copy

of such Bill and of the Petition on which the same is founded shall be forthwith transmitted by the Clerk of the House to the Board, in order that the Board may, after an inquiry into the allegations set out in the Bill, and into any other matters which the Board may deem necessary in connection therewith, report to the House whether or not it is reasonable that such Bill or part thereof relating to the matters aforesaid shall be passed; and what alterations, if any, should be made in the same; and the Board shall make such inquiry accordingly and shall sign the same; and the said Report, Bill and Petition shall be transmitted to the Clerk, and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House, and the Bill, together with the Report, shall stand referred to the Standing Committee on Private Bills.

76. Every Estate Bill, when read a first time, shall without special reference stand referred to the Commissioners of Estate Bills, for their Report, and a copy of such Bill, and of the Petition on which the same is founded, shall be forthwith transmitted by the Clerk of the House to the said Commissioners, or one of them, in order that they, or any two of them, may, after perusing the Bill, without requiring any proof of the allegations thereof, report to the House their opinion thereon under their hands; and whether, presuming the allegation contained in the preamble to be proved to the satisfaction of the House, it is reasonable that such Bill do pass into a Law; and whether the provisions thereof are proper for carrying its purposes into effect, and what alterations or amendments, if any, are necessary in the same, and in the event of their approving the said Bill they are to sign the same; and the said Report, with the said Bill and Petition, are to be transmitted by the said Commissioners to the Clerk; and the Report shall be read by the Clerk at the Table and shall be entered on the Journals of the House; and the Bill together with the Report shall stand referred to the Standing Committee on Private Bills, which is not to consider the said Bill before the delivery of the said Report, Bill and Petition to the Chairman of the said Committee.

77. In the event of the Commissioners of Estate Bills reporting that, in their opinion, it is not reasonable that the Bill submitted to them shall pass into law, such Bill shall not be further considered.

CORPORATION OF THE TOWN OF
HAWKESBURY

NOTICE IS HEREBY GIVEN that the following petition has been lodged with the Clerk of the Legislative Assembly and the Lieutenant Governor of Ontario for the passing of a Private Bill and that the following is a true copy of the petition addressed to the Honourable Lieutenant Governor of Ontario and to the Honourable the Legislative Assembly of the Province of Ontario in Parliament assembled at the forthcoming session.

J. B. CUIILLERIER,
Clerk-Treasurer,
Town of Hawkesbury.

PETITION

To the Honourable the Legislative Assembly of the Province of Ontario in Parliament assembled.

The Petition of the undersigned, the Corporation of the Town of Hawkesbury, humbly sheweth that:

1. By-laws 2003 and 2004 hereto annexed, and marked as Exhibits "A" and "B" to this petition, were passed in first and second reading on or about the 24th day of May, 1960, and through error or inadvertence the said By-laws did not receive sanction of the Ontario Municipal Board nor were they finally read and passed.

2. The aforesaid By-laws pertained to the construction under The Local Improvement Act of storm sewers, sanitary sewer mains, and water services, along certain streets within the Corporation limits of the Town of Hawkesbury and the work was completed and the services were installed.

3. The persons concerned have been assessed for the sums of money expended and, although some have paid, others have refused payment maintaining the By-laws to be invalid.

4. Unless the within petition is granted, the burden of payment for the said work will fall upon the general ratepayers of the Town of Hawkesbury as a whole, instead of upon the persons assessable under the provisions of The Local Improvement Act; wherefore your petitioners humbly pray that your Honourable House may be pleased to pass an Act to give force and effect to By-laws 2003 and 2004 notwithstanding the failure of the Corporation of the Town of Hawkesbury to obtain the approval for such By-laws from the Ontario Municipal Board and to give the same third reading.

VICTOR BRUNEAU,
Mayor.

J. B. CUIILLERIER,
Clerk.

CORPORATION OF THE TOWN OF
HAWKESBURY

By-LAW No. 2003

BEING a By-law to authorize the construction of watermain and water service pipes on Dufferin Street from Main Street to Lansdowne Street, a distance of approximately 850 feet, as a local improvement under the provisions of The Local Improvement Act.

Whereas Eugene Brunette and others have petitioned the Municipal Council to construct, as a local improvement the works hereinafter described, and the Clerk has certified that the petition is sufficient;

And Whereas the Municipal Council has also been petitioned and feels it is expedient to construct as a local improvement, private water service pipes from the watermain to the street line on both sides of the street as hereinafter described;

And Whereas it is expedient to grant the prayer of the petitioners in the manner hereinafter provided;

And Whereas the Municipal Council has procured to be made the reports, estimates and statements required for undertaking the said works.

Therefore the Municipal Council of the Corporation of the Town of Hawkesbury enacts as follows:

1. (a) That a 6" i/d cast iron Class 22 M.J. watermain be constructed in Dufferin Street from Main Street to Lansdowne Street, a distance of approximately 850 lineal feet, as a local improvement under the provisions of The Local Improvement Act;
- (b) That (this By-law being passed by a vote of two-thirds of all members of Council) water service pipes be constructed as a local improvement under the provisions of The Local Improvement Act, applicable to such works, from the watermain to the street line on both sides of Dufferin Street and that the cost of water service pipe shall be especially assessed upon the particular lot for or in connection with which it is constructed by an equal special rate per foot of the frontage of such lot and the provisions of subsection 4 of section 3 of The Local Improvement Act shall apply.
2. That the engineer of the Corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the works, (or for carrying on and executing the works by day labour).
3. The works shall be carried on and executed under the supervision and according to the directions and orders of said engineer.
4. The Mayor and Clerk are authorized to cause a contract for the construction of the works to be made and entered into with some person or persons, firms or corporation, subject to the approval of this Council, to be declared by a resolution, (unless this Council decides by a resolution to carry on and execute the works by day labour, in which event the works shall be carried on and executed by day labour).
5. The Treasurer may (subject to the approval of Council) agree with any bank or person for temporary advances of money to meet the cost of the works pending the completion of it.
6. That the special assessment shall be paid in fifteen (15) annual instalments.

7. The debentures to be issued for the loan to be effected to pay for the works when completed shall bear interest at such rate as Council may determine and be made payable within fifteen (15) years on the instalment plan.
8. That any person whose lot is specially assessed may commute for a payment in cash the special rates imposed thereon by paying the portion of the cost of construction assessed upon such lot, without interest, if such payment is made within one month from the date of the final sittings of the Court of Revision for the revision of the special assessment roll, and at any time thereafter by the payment of the balance of the cost of construction assessed upon such lot together with the sum of money representing the difference between the amount of interest payable under the debentures issued for the payment of said cost and the interest realizable from the investment of said cash payment at the then prevailing rate of interest.

Done and passed in open Council by a vote of two-thirds of all members of Council, signed by the Mayor and Clerk after a first and second reading, this 24th day of May, 1960.

ROSAIRE GASCON,
Mayor.

J. L. E. GELINEAU,
Clerk.

Finally passed on third reading, by a vote of two-thirds of all members of Council, and sealed with the seal of the Corporation, this day of , 1960.

CORPORATION OF THE TOWN OF HAWKESBURY

By-Law No. 2004

BEING a By-law to authorize the construction of a storm sewer, a sanitary sewermain and private drain connections on Dufferin Street from Main Street to Lansdowne Street as a local improvement under the provisions of The Local Improvement Act.

Whereas Eugene Brunette and others have petitioned the Council to construct, as a local improvement, the works hereinafter described, and the Clerk has certified that the petition is sufficient;

And Whereas Council has also been petitioned and feels it is expedient to construct as a local improvement private drain connection from the sewermain to the street line on both sides of Dufferin Street, as hereinafter described;

And Whereas it is expedient to grant the prayer of the petitioners in the manner hereinafter provided;

And Whereas Council has procured to be made the reports, estimates and statements required for undertaking the said works.

Therefore the Municipal Council of the Corporation of the Town of Hawkesbury enacts as follows:

1. (a) That a 24" i/d Class III concrete storm sewer be constructed on Dufferin Street from Lansdowne Street to the north side of Main Street East, a distance of approximately 960 feet as a local improvement under the provisions of The Local Improvement Act;
- (b) That a 12" i/d Class III concrete sanitary sewermain be constructed on Dufferin Street from Lansdowne Street to Main Street a distance of approximately 850 feet, as a local improvement under the provisions of The Local Improvement Act;
- (c) That (this By-law being passed by a vote of two-thirds of all members of Council) private drain connections be constructed as a local improvement under the provisions of The Local Improvement Act applicable to such works, from the sewermain to the street line on both sides of Dufferin Street, and that the cost of each private drain connection shall be especially assessed upon the particular lot for or in connections with which it is constructed by an equal special rate per foot of the frontage of such lot and the provisions of subsection (4) of section 3 of The Local Improvement Act shall apply.
2. That the engineer of the Corporation do forthwith make such plans, profiles and specifications and furnish such information as may be necessary for the making of a contract for the execution of the works, (or for carrying on and executing the works by day labour).
3. That the works shall be carried on and executed under the supervision and according to the directions and orders of said engineer.

CITY OF TORONTO

APPLICATION FOR SPECIAL LEGISLATION

NOTICE IS HEREBY GIVEN that, on behalf of The Corporation of the City of Toronto, application will be made to the Legislative Assembly of the Province of Ontario at its next Session, for special legislation to provide:

1. For the amendment of Section 4 of The City of Toronto Act, 1960-61, as amended, by the addition thereto of a provision to the effect that a by-law of the Council of the Corporation passed under the said Section 4 for acquiring, establishing, laying out and improving land, buildings and structures where vehicles may be parked, and levying the capital cost or any part thereof against lands deriving a special benefit therefrom, may provide that a part of such capital cost shall be levied against lands in one or more defined areas in a neighbouring municipality where the Council of the Corporation is of the opinion that such lands in the neighbouring municipality will derive a special benefit therefrom, and the council of such neighbouring municipality consents thereto; and the rates in respect thereof shall be collected by the neighbouring municipality as if the same had been imposed by its council and shall be paid to The Corporation of the City of Toronto.

2. That the Council of the Corporation may pass by-laws to authorize The Parking Authority of Toronto on behalf of the Corporation to sell, lease or otherwise dispose of land or buildings under the control of the Authority when the same are no longer required for purposes of the Authority, and to authorize the Corporation or the Authority with the consent of the Corporation to construct such foundations, footings and supports in connection with buildings constructed by the Corporation or the Authority either above, below, or partly above and partly below ground level on land owned by the Corporation, as are deemed necessary by the Corporation or by the Authority to permit any area or space owned by the Corporation above such building or structure and not required for the purposes of the Corporation or the Authority to be used for the construction therein of buildings or structures by any person to whom such area or space or any interest therein may be sold or transferred; and further to provide that the Corporation may in any by-law permitting the Authority to sell, lease or otherwise dispose of land, impose limitations and conditions upon the exercise of such powers by the Authority; and further to provide that any instruments required to convey, lease or otherwise dispose of land or buildings under such special legislation shall be executed by the Corporation, and that all moneys obtained from any sale, lease or other disposition as aforesaid shall be paid to the

City Treasurer and after payment of expenses incidental thereto shall be deposited in a reserve fund and shall be applied, firstly, for the payment of interest and principal in each year in respect of the acquisition of such land and the erection of buildings thereon or thereunder, and, secondly, for the acquisition, laying out or improvement of additional parking lots or facilities and the construction of buildings thereon or thereunder, and, thirdly, for such other purposes as the Department of Municipal Affairs may approve.

3. For the amendment of subsection (1) of Section 2 of The City of Toronto Act, 1957, by deleting therefrom the requirement that the appointment of members of the Committee of Adjustment shall be subject to the approval of the Minister of Planning and Development.

4. That the Corporation, in the event that the whole or any portion of buildings in the block bounded by King Street East, Front Street East, Market Street and Jarvis Street are renovated for the purpose of a project for the observance or commemoration of the Centennial pursuant to The Confederation Centennial Act, 1962-63, may provide facilities for the use for commercial or administrative purposes of any part or parts of the said buildings not required for purposes of the Corporation, and may use, sell, lease or otherwise dispose of any such part or parts for such commercial or administrative purposes.

5. That the Corporation may by by-law entrust to the Toronto Arts Foundation on such terms and conditions as the Council of the Corporation may prescribe, the maintenance, control, operation or management of any theatre or auditorium, which has been constructed as a project for the observance or commemoration of the Centennial pursuant to The Confederation Centennial Act, 1962-63.

6. That where a building owned by the Corporation has been constructed as a Centennial project pursuant to The Confederation Centennial Act, 1962-63, for purposes of or related to the production or presentation of theatrical, dramatic or artistic performances, the Corporation may on such terms and conditions as the Council may prescribe,

- (a) let the building or part or parts thereof for such purposes, or for such artistic purposes as the Council may determine;
- (b) entrust to the Toronto Arts Foundation the maintenance, control, operation or management of the building.

7. That subject to The Liquor Licence Act the Corporation may sell, or let the right to sell from year to year or for any time not exceeding ten years, food, confectionery, tobacco and refreshments, including liquor as defined in The Liquor Control Act, within the City Hall and Nathan Phillips Square under such conditions as the Council may prescribe and provide facilities therefor.

8. That the Corporation may provide in the new City Hall or Nathan Phillips Square accommodation and facilities to be used for commercial purposes and may lease the same for such purposes.

TAKE NOTICE that the Corporation of the City of Kitchener will make application to the Legislative Assembly of Ontario for a Private Bill to dissolve the Kitchener Board of Park Management and the Kitchener Recreation Commission and to establish a Parks and Recreation Commission for the City of Kitchener.

The text of the proposed Private Bill is as follows:

AN ACT RESPECTING THE CITY OF KITCHENER

WHEREAS the Corporation of the City of Kitchener by its petition has represented that it is desirous of providing for the establishment of a Parks and Recreation Commission for the better development and supervision of its public parks and recreation facilities, and that for such purposes it is necessary to endow such Commission with all the duties, responsibilities, powers and privileges of the Kitchener Recreation Commission established under The Department of Education Act and the Kitchener Board of Park Management established under The Public Parks Act; and whereas the petitioner has prayed for special legislation in respect of such matters; and whereas it is expedient to grant the prayer of the petition;

THEREFORE, Her Majesty, by and with the advice and consent of the Legislative Assembly of the Province of Ontario, enacts as follows:

1. In this Act,

- (a) "City" means the Corporation of the City of Kitchener; and
- (b) "Council" means the Council of the Corporation of the City of Kitchener.

2.—(1) Notwithstanding The Department of Education Act and the regulations thereunder and The Public Parks Act there shall be a Commission to be known as the Parks and Recreation Commission of the City of Kitchener which shall be a Corporation and shall be composed of,

- (a) the head of the Council;
- (b) one member of the Council to be appointed by the Council; and
- (c) eight persons, appointed by the Council, who are qualified to be elected as members of Council but who are not members thereof.

(2) The head of the Council, with the approval of the Council, may appoint a substitute, who is a member of the Council, to act for him from time to time.

(3) The members of the Commission who are not members of the Council shall hold office for two years and until their successors are appointed, provided that, on the first appointment, the members shall hold office until the end of the year next following the appointment in which a municipal election is to be held to elect members of the Council.

(4) Where a member of the Commission ceases to be a member before the expiration of his term of office, the Council shall appoint another qualified person in his place who shall hold office for the remainder of his term and until his successor is appointed.

(5) A majority of the members of the Commission constitutes a quorum.

(6) At the first meeting of every year the Commission shall elect a chairman and a vice-chairman from among the members of the Commission and, in the absence of the chairman, the vice-chairman shall preside.

(7) The Commission shall appoint a secretary-treasurer, who may be a member of the Commission, and may engage such employees and consultants as is deemed expedient.

3. Except as otherwise provided in this Act, The Department of Education Act and the regulations thereunder and The Public Parks Act apply to the Commission as if it had been established in accordance with such Acts and regulations.

4. Upon this Act coming into force,

(a) the Kitchener Board of Park Management and the Kitchener Recreation Commission are dissolved and the assets and liabilities thereof become the assets and liabilities of the Kitchener Parks and Recreation Commission;

(b) By-law No. 518 of the Town of Berlin, By-law No. 523 of the Town of Berlin, and By-law No. 3049 of the City, and any by-laws amending the same, are repealed.

5.—(1) The Commission shall on or before the 1st day of February in each year submit to the Council an itemized estimate of its financial requirements for the year and, subject to the provisions of The Public Parks Act, the Council may amend such estimate and shall pay to the secretary-treasurer of the Commission out of moneys appropriated for the Commission such amounts as may be requisitioned from time to time.

(2) Where any moneys have been included in the estimates of the Commission for a specific purpose, they may be used by the Commission only for such specific purpose and not otherwise.

6. This Act comes into force on the day it receives Royal Assent.

7. This Act may be cited as The City of Kitchener Act, 1965.

CORPORATION OF THE CITY

NOTICE IS HEREBY GIVEN that the Corporation of the Town of Burlington will apply to the Legislative Assembly of the Province of Ontario for an Act:

(1) Authorizing the payment of mileage to councillors as provided in Section 405 of The Municipal Act.

(2) Authorizing the establishment of a force to patrol the harbours and waterfront of the Town to ensure the safety of persons using small boats, the appointment of a Committee to manage the force and the making of grants of money to meet the expenses thereof.

(3) Confirming the bus franchise agreement annexed to By-law No. 2441 of the Town, as amended, and providing that the City of Hamilton shall not be responsible for any part of the cost, should it be necessary to buy out the franchise before its expiry for the purpose of establishing an area transportation service.

(4) Providing that where the width of a street exceeds 66 feet, the excess of costs of private drain connections installed under The Local Improvement Act over 33 feet shall be charged to the Corporation's portion of the cost.

(5) Authorizing by-laws to license and regulate the use of untravelled portions of highways in industrial and commercial areas.

(6) Authorizing, subject to the approval of the Ontario Municipal Board, by-laws imposing upon the owners of multiple residential or other buildings that impose or may impose a heavy load on the sewer system or water system, a special charge or charges over and above all other rates and charges to pay for all or part of the cost of providing the additional capacity.

(7) Authorizing the Town to require that the owner of any parcel of land created by land separation under Section 26 of The Planning Act do all things that he would have been required to do and pay all money he would have been required to pay if same had been created by a plan of subdivision pursuant to Section 28 of The Planning Act, before the issue of any building permit thereon.

(8) Authorizing by-laws for the regulation of the crossing of curb lines, sidewalks or paved boulevards for building purposes and the requiring of the owner of lands abutting on which any building is being erected to make a deposit not exceeding \$5.00 per foot to meet the cost of repairing any damage to the sidewalk, curbing or paved boulevard or to any water service box or other service thereon caused by the crossing thereof of vehicles for building purposes and providing for the disposal of any unclaimed moneys received for this purpose.

(9) Providing for exemption of farm lands of not less than 5 acres from local improvement frontage charges in excess of 100 feet assessed prior to January 1, 1965 for the construction of water mains or sanitary sewers.

(10) Providing for a postponement of special rates per foot frontage imposed under The Local Improvement Act after January 1st, 1965 on any frontage in excess of 100 feet containing not fewer than 5 acres and used only for farm purposes until such time as the lands ceases to be used exclusively as farm land.

(11) Providing that where in the opinion of the Council lands on the north side of the Lakeshore Road will not benefit from the sewer installed from the south side thereof by By-law No. 1625 of the Township of Nelson, the Town may cancel the special assessment made against such owners by the said by-law.

(12) Authorizing the cancellation of the taxes levied in 1963 and 1964 against the property known as St. Marys Parish Hall except such part thereof as was in such years used for residential purposes and except local improvement taxes.

(13) Authorizing the Town to enter into agreements with the owners of lands who applied for amendments of the Town's restricted area by-law for the purpose of securing satisfactory standard of development and for providing any of the things that might be provided for in an agreement made under subsection (6) of Section 28 of The Planning Act.

(14) Authorizing with the approval of the Ontario Municipal Board establishment of areas of architectural control wherein no multiple family residential building may be erected except in accordance with plans approved by the Council of the Town.

Dated at Burlington this 21st day of December, 1964.

THE ONTARIO ENERGY BOARD ACT, 1964

O. Reg. 324/64.

Rules of Procedure.

Made—November 19th, 1964.

Approved—December 10th, 1964.

Filed—December 11th, 1964.

NOTE: *This Regulation does not come into operation until The Ontario Energy Board Act, 1964 is proclaimed in force.*

See R.S.O. 1960, c. 191, s. 5.

REGULATION MADE UNDER
THE ONTARIO ENERGY BOARD ACT, 1964

RULES OF PROCEDURE

1. In this Regulation,

- (a) "file" means file with the Board;
- (b) "respondent" means a person, other than the applicant, named in an application and such other person as the Board directs to be served with a copy of the application.

2.—(1) A proceeding before the Board under the Act or any other Act, other than a reference by the Minister or by requirement of the Lieutenant Governor in Council, shall be commenced by filing an application.

(2) Where the Board requires the preparation of information and material as evidence incidental to an application, such information and material shall be filed with the Board in accordance with the directions and requirements of the Board, but shall not be served on the respondents unless otherwise directed by the Board.

3.—(1) An application shall,

- (a) be filed in duplicate;
- (b) contain a clear and concise statement of the facts, the grounds of application, the provisions of the Act under which it is made, the nature of the order applied for and the relief or remedy to which the applicant claims to be entitled;
- (c) be divided into paragraphs numbered consecutively, each of which is confined as nearly as possible to a distinct portion of the subject;
- (d) where the application affects any other person, contain the name and address of that person, but, on an application to fix rates, it is not necessary to name each of the consumers affected; and
- (e) be endorsed with the name and address of the applicant and of his solicitor if documents are to be served on his solicitor.

(2) The applicant shall serve a true copy of the application upon each respondent in accordance with the direction of the Board.

4.—(1) A respondent who intends to oppose an application shall file an answer to the application within fourteen days after the day on which the application is served upon him.

(2) The answer to an application shall,

- (a) be filed in duplicate;
- (b) contain a clear and concise statement of the grounds upon which the application is opposed; and

(c) be endorsed with the name and address of the respondent and of his solicitor if documents are to be served on his solicitor.

(3) The respondent shall serve his answer upon the applicant or his solicitor where a solicitor is named in the application on or before the day on which the answer is filed.

5.—(1) The applicant may file a reply to the answer of a respondent within ten days after the day on which the answer is filed.

(2) The reply shall,

- (a) be filed in duplicate;
- (b) be endorsed with the name and address of the applicant and of his solicitor if documents are to be served on his solicitor.

(3) The applicant shall serve his reply to the answer of a respondent upon the respondent or his solicitor where a solicitor is named in the answer on or before the day on which the reply is filed.

6. Sections 4 and 5 do not apply to applications made under sections 37, 38 or 40 of the Act.

7. Where a hearing is to be held, the Board shall serve upon the parties or direct a party to the proceeding to serve upon the other parties a notice of the hearing.

8.—(1) Service of any notice, document or paper may be personal or by registered mail and service may be on the party to the proceeding or on his solicitor where a solicitor is named in the application, answer or reply.

(2) Filing of any notice, document or paper may be by registered mail.

(3) Service or filing by registered mail is deemed to be effected on the day after the date of mailing.

(4) The Board, where in its opinion special circumstances so require, may direct service of any notice, document or paper by publication in a newspaper named in the direction and any such service shall be deemed to be effected on the date of publication.

(5) Where the Board so directs, a notice of hearing shall be published as well as served in the manner set out in the direction of the Board.

9. No proceeding is invalid by reason only of a defect or other irregularity in form.

10.—(1) The Board may, upon such terms as it deems proper, enlarge the time prescribed by this Regulation for doing any act, serving or filing any notice, document or paper or taking any proceeding and may exercise the power although application therefor is not made until after the expiration of the time prescribed.

(2) Where the Board is satisfied that it is necessary or convenient in the public interest, it may, upon such terms and conditions as it deems proper, abridge the time prescribed by this Regulation for doing any act, serving or filing any notice, document or paper or taking any proceeding.

11. A summons to a witness shall be in Form 1.

12. Regulation 460 of Revised Regulations of Ontario, 1960 is revoked.

(4) A person is exempt from subsection 3 of section 7 of the Act in respect of an appliance he owns.

(5) A person is exempt from subsection 6 of section 7 of the Act while using an appliance only for the purpose of testing or examining the flame.

APPLIANCES

17.—(1) No person shall knowingly supply hydrocarbons by pipe line to or use any appliance if,

- (a) the appliance is inspected under subsection 6 of section 7 of the Act and is found not to comply with the Act or the regulations;
- (b) the products of combustion of the appliance are unsafe; or
- (c) the appliance is installed in a location where flammable vapours or explosive mixtures are present.

(2) Where a distributor of hydrocarbons by pipe line finds that,

- (a) an appliance is used for a purpose other than that for which it is designed;
- (b) any device, attachment, alteration or deterioration might in any way impair the combustion within or safe venting of an appliance;
- (c) a non-compliance with the Act or the regulations applying to the venting of an appliance or the supply of air for combustion creates an unsafe condition;
- (d) the operation of an appliance raises the surface temperature of adjacent combustible material excessively; or
- (e) the piping or its installation does not comply with the Act or the regulations,

the distributor shall notify the user of the appliance that the appliance or its installation must be corrected within ten days of the receipt of the notice by the user.

(3) If an appliance or its installation is not corrected within ten days after the receipt of a notice under subsection 2, the distributor shall not supply hydrocarbons to the appliance and no person shall use the appliance until the appliance or its installation is corrected.

(4) No person shall knowingly use an appliance that uses undiluted liquefied petroleum gas as fuel if,

- (a) the products of combustion of the appliance are unsafe;
- (b) the appliance is installed in a location where flammable vapours or explosive mixtures are present;

(c) the installation of a container does not comply with the Act or the regulations;

(d) the appliance is used for a purpose other than that for which it is designed;

(e) any device, attachment, alteration or deterioration might in any way impair the combustion within or safe venting of the appliance;

(f) any non-compliance with the requirements of the Act or the regulations applying to the venting of the appliance or the supply of air for combustion creates an unsafe condition;

(g) the operation of the appliance raises the surface temperature of adjacent combustible material excessively; or

(h) the piping material does not comply with the Act or the regulations.

18. Every distributor shall inspect at least once every six years all appliances to which it supplies gas or fuel oil by pipe line.

19.—(1) The Canadian Gas Association is designated as an organization to test all gas appliances to specifications approved by the Minister and, where the appliances conform to the specifications, to place its label thereon.

(2) The Canadian Standards Association Testing Laboratories and the Underwriters' Laboratories of Canada are designated as organizations to test gas appliances having an input greater than 400,000 British thermal units per hour, gas appliances of any input used for commercial drying, commercial laundering and steam cleaning, commercial heating incorporating electric driven cooling, and appliances for the use of liquefied petroleum gas only, to specifications approved by the Minister and, where the appliances conform to the specifications, place their label thereon.

(3) The Canadian Standards Association Testing Laboratories and the Underwriters' Laboratories of Canada are designated as organizations to test fuel oil appliances to specifications approved by the Minister and, where the appliances conform to the specifications, place their label thereon.

(4) The Approvals Division of the Canadian Gas Association, the Canadian Standards Association Testing Laboratories and the Underwriters' Laboratories of Canada are designated as organizations to test appliances designed to burn both gas and fuel oil, either together or separately, to specifications approved by the Minister and, where the appliances conform to the specifications, to place their label thereon.

20.—(1) Any person may apply to the Minister for a label in respect of any appliance that does not bear the label of an organization designated under section 19.

(2) The fee for a label issued by the Minister is \$10 for every hour or fraction thereof spent by an inspector in inspecting or in testing the appliance or appliances.

21.—(1) An appliance that has an input of greater than 50,000,000 British thermal units per hour and which has been certified by a professional engineer who is qualified to practise in Ontario to be in compliance with the laws of Ontario is exempt from subsection 2 of section 7 of the Act.

(2) A self-contained liquefied petroleum gas camping appliance or a hand torch is exempt from subsection 2 of section 7 of the Act.

(3) A gas light or a bunsen burner that has an input of less than 3,000 British thermal units per hour is exempt from subsection 2 of section 7 of the Act.

(4) A fuel oil appliance that has an input of greater than 3 United States gallons per hour is exempt from subsection 2 of section 7 of the Act.

STATISTICS

22.—(1) Every person producing, storing, transmitting or distributing gas shall make an annual report in triplicate to the Minister in Form 401.

(2) The report under subsection 1 shall be filed on or before the 1st day of March in each year for the year ending with the 31st day of December of the preceding year.

(3) A licence in Form 202 is issued on condition that if the transmitter fails to make the report required by this section to the Minister by the specified date his licence is suspended until such report is made.

23.—(1) The information in the reports filed under section 22 shall not be released in such form as will disclose the facts recorded in any individual report unless the person who filed the report has consented in writing to the release of such information specifying the form in which such information may be released and the person or class of persons to whom it may be released.

(2) Nothing in this section shall prevent the publication of statistical information by the Minister.

CONSERVATION

24. All hydrocarbons distributed to each consumer by a pipe line shall be measured through a meter.

25. Where a distributor's supply of natural or manufactured gas is not sufficient to supply all the wants of the distributor's consumers, the natural or manufactured gas shall be supplied to the consumers in the following order of preference:

1. For residential purposes.
2. For commercial purposes.
3. For industrial purposes.

ACCIDENT REPORT

26. Every transmitter, distributor and storage company,

(a) shall report to an inspector in person or by telephone or telegraph immediately upon the fact becoming known to him,

(i) any fatality,

(ii) any fire or explosion resulting in property damage estimated to exceed \$250 in amount, and

(iii) any fire or explosion resulting in personal injury requiring medical treatment,

where such fatality, fire or explosion was caused or appears to have been caused directly or indirectly by gas or oil produced, transmitted, distributed or stored by such person;

(b) shall report forthwith to the Minister in writing the information required under clause a; and

(c) shall on the request of the Minister or an inspector, supply such additional information as is required concerning any such fatality, fire or explosion.

GENERAL

27. Licences and permits issued and registrations made, other than licences for a machine for boring or drilling a well, are not transferable from one person to another.

28. Every licence and every certificate of registration expires with the 31st day of December of the year for which it was issued or made, unless the licence or certificate of registration bears a term or condition to the contrary.

29. A tag attached to a work or appliance under section 3 of the Act shall be in Form 601.

30. The permission of the Minister to lay an information under section 9 of the Act shall be in Form 602.

31.—(1) A person who is required under this Regulation to file a record, return or report and fails so to do shall, upon the written demand of the Minister, file the record, return or report within such reasonable time as the Minister stipulates.

(2) A demand under subsection 1 shall be deemed to be made if mailed by registered mail addressed to the last known address of the person upon whom it is being made.

32. Ontario Regulations 156/61, 319/61, 24/62, 83/62, 221/62 and 349/63 are revoked.

THE ENERGY ACT, 1964

O. Reg. 326/64.

Exploration, Drilling and Production.

Made—December 10th, 1964.

Filed—December 11th, 1964.

NOTE: *This Regulation does not come into operation until The Energy Act, 1964 is proclaimed in force.*
See R.S.O. 1960, c. 191, s. 5.

REGULATION MADE UNDER
THE ENERGY ACT, 1964

EXPLORATION, DRILLING AND PRODUCTION

INTERPRETATION

1.—(1) In this Regulation,

- (a) "development well" means a well that is bored or drilled for the purpose of producing from or extending a pool of oil or gas into which another well has already been bored or drilled;
- (b) "exploratory well" means a well that is bored or drilled for the purpose of discovering a pool of oil or gas;
- (c) "operator",
 - (i) when used in respect of a well being bored, drilled or deepened or in respect of a dry well, means the holder of the permit to bore, drill or deepen the well,
 - (ii) when used in respect of a well that is producing or that has produced, means the producer, and
 - (iii) in all other cases, means the owner of the gas and oil rights.

(2) In this Regulation, the limits of a tract,

- (a) where the tract is situate within a township lot, shall be obtained by dividing the whole lot into equal areas each of which shall be as nearly as possible a square of the prescribed area; and
- (b) where the tract is not situate within a township lot, shall be the limits of a square of the prescribed area.

EXPLORATION

2.—(1) A licence to conduct geophysical or geochemical exploration for gas or oil shall be in Form 101 and the fee therefor is \$10.

(2) A licence in Form 101 expires with the 31st day of December of the year for which it is issued and is not transferable.

3.—(1) The holder of a licence in Form 101 shall make a report to the Minister on or before the 31st day of January in the year following the year for which the licence was issued, setting out in respect of the previous year,

- (a) the exploration methods used;
- (b) the number of crew-months worked by the crews;
- (c) the number of acres or linear miles explored in each municipality;

(d) the name of any person with whom the licensee has contracted to conduct geophysical or geochemical exploration for gas or oil on behalf of the licensee; and

(e) a map of the area explored showing the locations where data was observed and recorded.

(2) The report required by subsection 1 shall be held confidential for one year.

LEASING

4.—(1) A licence to lease gas or oil rights from an owner other than the Crown shall be in Form 102 and the fee therefor is \$10.

(2) A licence in Form 102 expires on the 31st day of December in the year for which it was issued and is not transferable.

(3) A licence in Form 102 is issued subject to the condition that where the licensee leases gas or oil rights on behalf of another person the person on whose behalf he is leasing is also the holder of a licence in Form 102.

(4) Every holder of a licence in Form 102 or his employer shall, before the 31st day of January in the year following the year for which the licence was issued, report to the Minister the total acreage leased in each municipality during the previous year.

(5) The report required by subsection 4 shall be held confidential for one year.

SPACING

5. No person shall bore or drill a well,

- (a) within 150 feet of the near limit of any highway, road allowance, railroad, electric line or transmission line;
- (b) within 250 feet of any dwelling, industrial or commercial building, building for public assembly or any aircraft runway; or
- (c) in water covered areas unless it is at least 2000 feet from the shoreline.

6.—(1) Where a development well is bored or drilled into and not below a formation of Devonian age, the well shall be on a tract of $6\frac{1}{4}$ acres in respect of which the person boring or drilling the well is the sole operator.

(2) All other development wells shall be on a tract of 25 acres in respect of which the person boring or drilling the well is the sole operator.

(3) A development well shall not be located closer to a boundary of the tract in respect of which the person boring or drilling the well is the sole operator than,

- (a) 200 feet in the case of a Devonian well; or
- (b) 350 feet in the case of all other wells.

(4) This section does not apply to wells,

- (a) for the storage of hydrocarbons;
- (b) for the secondary recovery of oil;
- (c) that are situated in an area that has been unitized by agreement, by order of the Board or by a regulation made under *The Energy Act* being chapter 122 of Revised Statutes of Ontario, 1960;

- (d) for the testing of sub-surface structures;
- (e) for the injection of water;
- (f) for observation; or
- (g) in respect of which a special regulation establishing spacing units is made.

7.—(1) Where an exploratory well is bored or drilled into and not below a formation of Devonian age, the well shall be on a tract of $6\frac{1}{4}$ acres in respect of which the person boring or drilling the well is the sole operator.

(2) Where an exploratory well is bored or drilled into and not below a formation of Silurian age, the well shall be on a tract of 25 acres in respect of which the person boring or drilling the well is the sole operator.

(3) Where an exploratory well is bored or drilled into or below a formation of Ordovician age, the well shall be on a tract of not less than 50 acres in respect of which the person boring or drilling the well is the sole operator.

(4) An exploratory well shall not be located closer to a boundary of the tract in respect of which the person boring or drilling the well is the sole operator than,

- (a) 200 feet in the case of a Devonian well;
- (b) 350 feet in the case of a Silurian well; or
- (c) 500 feet in the case of all other wells.

(5) The Minister may issue a permit to bore, drill or deepen an exploratory well that does not comply with this section subject to the condition that there is no production from the well until the operator becomes the sole operator in respect of a tract that complies with this section.

DRILLING AND COMPLETION

8.—(1) An application for a permit to bore, drill or deepen a well shall be made in duplicate in Form 103.

(2) The application shall be accompanied by a scaled plan of the tract in which the well is to be bored or drilled showing,

- (a) exact co-ordinates of the well from two intersecting sides of the tract;
- (b) the elevation above sea level of the well site;
- (c) property lines within the tract;
- (d) the location of all other wells within the tract;
- (e) where the tract is within a township lot, the position of the tract within the lot; and
- (f) such further information as the Minister requests.

(3) A permit to bore, drill or deepen a well shall be in Form 104 and the fee therefor is \$15 and the permit is not transferable.

(4) After the drilling machine is in position but before drilling operations cease, the operator shall either verify or correct in writing the plan referred to in subsection 2.

(5) The operator shall display his permit in Form 104 at the well site throughout drilling operations.

9.—(1) Subject to subsection 2, a permit to bore, drill or deepen a well shall not be issued to a lessee unless the applicant has deposited in respect of the well with the Treasurer of Ontario the sum of \$500 or, where the well is in a water-covered area, \$1,000 in cash or direct or guaranteed securities of the Government of Canada or of the Government of Ontario as security for completion of the works in accordance with the Act, the regulations and any order of the Board.

(2) The total amount deposited by a person under subsection 1 shall not exceed \$5,000.

(3) The Treasurer of Ontario shall return the security deposited in respect of a well if the amount returned does not reduce the total security deposited by the person in respect of other wells to less than the amount determined under subsections 1 and 2 and where,

- (a) the Minister certifies that the well is plugged in accordance with the Act, the regulations or an order of the Board; or
- (b) the well is sold by the lessee to the owner of the land on which the well is situate.

(4) Where the Minister takes possession of a well under section 41,

- (a) the sum of \$1,000 where the well is on land or \$2,000 where the well is in a water-covered area out of the total security deposited by the person to whom the permit to bore, drill or deepen the well is issued; or
- (b) the total security deposited by such person where it is less than the appropriate amount determined under clause a,

is forfeited and shall be paid into the Abandoned Works Fund.

(5) Where there has been a forfeiture under subsection 4, every permit to bore, drill or deepen a well and every licence to produce gas or oil held by the person who deposited the security forfeited is suspended until the total amount of the security required by subsections 1 and 2 is restored.

(6) The Treasurer of Ontario may sell any securities deposited and forfeited under this section at the current market price.

(7) Where the owner of the land on which a well is situate leases the well, the lessee shall deposit the security in respect of the well prescribed by this section.

10.—(1) A licence for a machine for boring or drilling wells shall be in Form 105 and the fee therefor is \$10.

(2) A licence in Form 105 expires with the 31st day of December of the year for which it is issued.

(3) A licence in Form 105 shall be kept at the machine and be available for inspection.

(4) The owner of a machine to bore or drill a well, and the operator thereof, shall comply with the drilling safety code in the Schedule to this Regulation.

11.—(1) When a well is in the process of being bored, drilled, deepened or reconditioned, the operator shall keep at the well or at his field office and within reasonable distance of the well a daily record of the operations.

(2) Any suspension of operations shall be noted on the daily record.

(3) The daily record shall set out complete information on all operations carried on during the day and, without restricting the generality of the foregoing, shall include,

- (a) the depth at the beginning of the day or tour;
- (b) the depth at the end of the day or tour;
- (c) the diameter of the hole;
- (d) any change in casing;
- (e) if casing is set, all information regarding the setting with size, type, grade and weight of the casing, whether the casing is new or used, and the depth at which it is set;
- (f) particulars of cementing;
- (g) the depth at which water, oil or gas is encountered even if only small showings, and the pressures, flows and levels thereof; and
- (h) a report of each log, survey, formation test, deviation test or other test taken or made.

(4) The record kept shall note and describe, in addition to drilling operations, all other operations carried on, including fishing, shooting, perforating, acidizing, fracturing, surveying and plugging.

(5) The record required by this section shall be available at all reasonable times to inspectors.

12. The operator shall ensure that all casing, tubing and equipment used in the drilling or production of a well is in good condition and adequate for the depths to be drilled and the pressures that may be encountered.

13.—(1) Every operator of a well drilled with cable tools shall plan and effect a casing and cementing programme for the well to protect fresh water horizons, to protect any potential oil-bearing or gas-bearing horizons penetrated during drilling operations and to prevent the harmful migration of gas, oil or water from one horizon to another.

(2) Where rotary drilling equipment is used, the operator shall run sufficient surface casing to protect all fresh water horizons and such surface casing shall be cemented by displacement or pump with adequate time allowed for the cement to set.

14.—(1) The operator of a well that is being drilled, tested, completed, stimulated or reconditioned shall provide and maintain casing and control equipment in such condition that any oil, gas or water encountered can be effectively controlled.

(2) The operator shall ensure that control equipment is adequate, having regard to the depth to be drilled, the expected pressure and the necessity in case of blow-out of obtaining a shut-off around any equipment being employed in the well.

(3) While a well is being drilled, the operator shall test control equipment daily and record the results of such tests in the daily record.

(4) The operator shall ensure that control equipment is serviceable at all times.

(5) The operator shall ensure that the controls for the operation of control equipment are under all conditions readily accessible to the person in control of the drilling machine.

(6) Control equipment shall include in the assembly two valved lines not less than two inches in diameter below the valve or blow-out preventer for the purpose of bleeding off fluids and killing the well if necessary.

(7) The operator shall not permit a well to flow uncontrolled.

(8) Each operator shall report to an inspector immediately by the quickest effective means any well flowing uncontrolled.

15. The operator of a producing well shall ensure that,

- (a) strings of casing intermediate between the production casing and the surface casing are not recovered unless all strata containing mineral water, oil or gas are isolated to the satisfaction of the Minister; and

- (b) the surface casing is not recovered.

16. At the end of every drilling or plugging operation, or as soon thereafter as weather and ground conditions permit, the operator shall cause the area around the well to be cleared of refuse and waste, excavations and pits to be filled and levelled and the site to be restored as nearly as is practicable to its condition before drilling was commenced.

17. Before production commences the operator shall arrange the surface equipment of a well so as to permit the measurement of the tubing pressure and open flow and the sampling of oil, gas and water.

18.—(1) In this section, "well" means a well in a water-covered area.

(2) An applicant for a permit to bore or drill a well shall furnish proof to the Minister that he has subsisting liability insurance, adequate, in the Minister's opinion, to provide compensation for all damage to others caused by the drilling operations.

(3) An applicant for a licence to produce gas or oil from a well shall furnish proof to the Minister of subsisting liability insurance, adequate, in the Minister's opinion, to provide compensation for all damage to others caused by the production operations.

(4) A licence for a machine for boring or drilling a well is issued on the condition that the machine is not used to bore or drill a well in a water-covered area unless the operator furnishes proof to the Minister of subsisting insurance, adequate, in the Minister's opinion, to provide compensation for all damage to others caused by the machine, or by any vessel or craft or barge used to transport men or material to the machine.

(5) When an operator has encountered oil in a well or its boring or drilling a well in an area where oil may reasonably be expected to be encountered, he shall, in addition to the requirements of the other provisions of this Regulation, provide in operating condition oil-saving and discharge equipment and emergency oil storage.

(6) At the end of a drilling operation and before production commences, the operator of a producing well shall submit plans and specifications of the well-head assembly, in duplicate, to the Minister.

(7) The operator of a well shall ensure that the production casing is cemented before production commences.

(8) The operator shall ensure that the well-head equipment in producing wells provides a solid and permanent water-tight seal between the water and the annular spaces between strings of casing.

(9) Subject to subsection 10, the operator of a producing well shall ensure that where the well-head is above the bed of the body of water, the over-all height of the well-head assembly is kept to a minimum.

(10) The operator of a producing well in shallow water where ice or navigation is a hazard shall ensure that the well-head is encased in a cellar below the bed of the body of water.

(11) At the end of every drilling or plugging operation the operator of the well shall ensure that any platform, piling, anchor-post or other obstruction is removed as soon as is reasonably possible, and in any case within thirty days.

(12) Where a well-head is not in a cellar, the operator shall mark the well-head with a tapered wooden pole fitted with a sinker and orange flag, secured to the well-head with a nylon line, and shall maintain such mark.

(13) No person shall remove or damage a pole erected under subsection 12, other than the operator who is required to maintain the pole.

(14) When a well is plugged, the operator shall cut off any casing left in the hole at the bed of the body of water.

19.—(1) Every operator shall, within thirty days after the end of drilling operations, forward or deliver to an inspector at the operator's expense,

(a) samples of rock cuttings including cored intervals taken throughout the depth of the well from each run, or from intervals of not more than 10 feet, and such samples shall be washed, dried, bagged in a bag provided by the Minister and accurately labelled with the name of the well and the interval of depth;

(b) a complete record in duplicate in Form 106;

(c) in exploratory wells, samples of oil and water recovered from below the top of the Trenton formation; and

(d) at the request of the Minister, samples of any gas, oil or water recovered from any well.

(2) The geological log, pay-thickness and pressure data on Form 106 shall be confidential for nine months in the case of exploratory wells and three months in the case of other wells, unless previously released by the operator.

20.—(1) The operator shall supply to the Minister within thirty days after the end of drilling operations,

(a) a copy of the drill-stem test report and of the pressure charts for each drill-stem test taken at the well; and

(b) a list of the drill-stem tests taken at the well indicating the chronological sequence and depth interval of each drill-stem test.

(2) During any period of testing following completion of a well or following re-working of a well, the operator shall maintain a record of the daily production which shall be available to an inspector.

(3) Where an operator has completed a gas well with an estimated open flow in excess of one million cubic feet per day, the operator shall determine the performance of the well according to recognized standards of back-pressure testing and shall report the results of the determination including observed field data to the Minister.

(4) The reports and charts required by subsection 1 shall be confidential for twelve months unless previously released by the operator.

21. Where any radio-active or other type of down-hole log or survey is taken in a well, two copies of the log or survey, one suitable for reproduction, shall be supplied to the Minister by the operator within thirty days after the log or survey is taken and the log or survey shall be confidential for,

(a) twelve months where the log or survey is taken in a well bored or drilled under a drilling permit; or

(b) thirty-six months where the log or survey is taken in any other well,

unless previously released by the operator.

22. Where a well is deepened, fractured, acidized, plugged back or re-cased, the operator shall make a report to the Minister within thirty days in Form 106.

23. When an operator has caused a core analysis or any other down-hole test or analysis to be made, he shall report the results thereof to the Minister within thirty days after the analysis or test has been made, and the information contained in the report shall be confidential for twelve months unless previously released by the operator.

24.—(1) Where cores are taken, the operator shall pack them in numbered wooden boxes accurately labelled in ink showing the name and number of the well and the depth interval, and the boxes shall be protected from damage and stored by the producer.

(2) No core shall be destroyed, except for the purpose of analysis.

(3) Where cores are no longer required by the operator, the Minister may instruct the operator to forward them to the Geological Survey of Canada.

25. The Minister may require the operator to take and record the measurement of the gas and oil produced by any well and to file the record of the measurement with the Minister.

SPACING UNITS

26.—(1) Where a person discovers a pool capable or producing gas or oil, any person having gas or oil rights in respect of the pool may apply to the Minister for the establishment of spacing units and, where no other person has applied within ninety days of the discovery, the person who discovered the pool shall apply.

(2) An application shall be accompanied by a plan of the lands comprising the probable area of the pool, certified by an Ontario Land Surveyor or Professional Engineer qualified to practise in Ontario or other person acceptable to the Minister, showing,

(a) the location of the well in relation to the boundaries of the lands, roadways and topographical features of the area;

(b) the names of all owners of gas and oil rights; and

(c) a description of the interest of each owner.

(3) The applicant shall serve a true copy of the application and plan upon every other operator of the pool within five days of the making of the application.

(4) No person shall bore or drill a development well into a pool referred to in subsection 1 until the application has been made and disposed of.

27. It shall be a condition of every gas and oil lease that the lessee's share of work done under a pooling or unitizing order applying to the leased property shall be deemed to be work done by the lessee.

PRODUCTION

28.—(1) A licence to produce gas or oil for sale shall be in Form 107.

(2) A licence in Form 107 expires with the 31st day of December of the year for which it is issued and is not transferable.

(3) Where the amount of natural gas or oil produced for sale by a producer in the year preceding the year for which application for a licence is made exceeds 500,000 cubic feet of gas or fifty barrels of oil, the fee payable for the licence is \$10.

(4) No person shall purchase gas or oil from a person producing the gas or oil who is not the holder of a subsisting licence in Form 107.

(5) A licence in Form 107 is issued on condition that if the producer fails to make the report required by section 29 to the Minister by the specified date his licence is suspended until such report is made.

(6) A producer for his own use only is exempt from clause *c* of subsection 1 of section 5 of the Act.

29.—(1) Every producer of oil for sale shall, on or before the 15th day of February in each year, make a report in triplicate to the Minister in Form 108, for the preceding licence year.

(2) Every oil producer shall maintain a map or maps of his production and collection systems.

(3) Every producer of gas for sale shall on or before the 1st day of March in each year make, in triplicate, a report for the preceding licence year, to the Minister in Form 401 of Ontario Regulation 325/64.

(4) Every gas producer shall maintain a map or maps of his production and collection systems.

(5) The reports required by this section shall be confidential for three months.

30. The operator of a well shall use every possible precaution to prevent waste of oil or gas in drilling and production operations and in storing, piping or distributing oil or gas, and shall not use oil or gas wastefully or allow it to leak or escape from natural reservoirs, wells, tanks, containers or pipes.

31.—(1) The operator of a well shall upon the request of the Minister provide a sample for analysis of any oil, water or gas produced from the well.

(2) The operator of a well shall upon the request of the Minister make such tests, analysis, surveys or logs as the Minister requests and shall submit the information so obtained to the Minister.

32.—(1) The operator of a well shall ensure that all water produced from a well is disposed of in a manner that will not interfere with the rights of any person.

(2) The operator of a well shall ensure that salt water, drilling fluid, oil refuse and any flammable product from a well, tank or other production installation are not handled or disposed of so as to,

- (a) create or constitute a hazard to public health or safety;
- (b) run into or contaminate any fresh water stratum or body of water or remain in a place from which it might contaminate any fresh water or body of water; or
- (c) run over or damage any land, highway or public road.

(3) The operator of a well shall ensure that all rubbish, debris or oily refuse from a well or tank or resulting from any operation at a well are,

- (a) removed immediately at least 150 feet from buildings or tanks, wells, pump stations or other sources of ignitable vapours; and
- (b) burned immediately or disposed of in such other manner that no fire hazard is created and no fresh water is polluted.

33. Each operator of a well shall report to an inspector immediately by the quickest effective means, and shall report further by letter, any fire or explosion or any accident causing personal injury that occurs at an oil or gas well, production line, field battery installation or field storage tank owned, operated or controlled by the operator.

34.—(1) Every producer of gas for sale shall, not later than the 30th day of September in each year, shut in all his gas wells for such period as is necessary to properly measure the shut-in well-head pressure of each well, and record the number of hours required to reach a stabilized pressure.

(2) Pressures and numbers of hours as recorded under subsection 1 shall be reported to the Minister by the producer not later than the 15th day of October in each year.

(3) A gas producer shall, upon the request of the Minister, determine the open-flow potential of any well and report to the Minister.

(4) Notwithstanding subsections 1 and 2, the producer of a gas well in a water-covered area shall determine the shut-in well-head pressure of the well and make the records and reports in the manner prescribed by subsections 1 and 2 when the Minister requires the report.

(5) This section does not apply to gas storage wells.

35. The operator of a well shall ensure that,

- (a) oil is not stored in open excavations or open containers, or otherwise so stored as to create a hazard;
- (b) oil tanks or batteries of tanks are surrounded by a dike having a capacity to contain a volume 25 per cent greater than the volume of the tanks or batteries and the dike is kept free of high grass, weeds and combustible material;
- (c) all well-head and battery equipment and services are designed, constructed, installed, operated and maintained in accordance with sound engineering practice, and so as to prevent hazard to surrounding property;
- (d) oil storage tanks are located at least 250 feet from any dwelling, commercial or industrial building, or building for public assembly and at least 50 feet from any highway, road allowance, railway or electric transmission line;
- (e) any significant volume of gas vented to the atmosphere during production is flared;
- (f) all flare pits and ends of flare lines are so constructed and safeguarded that there is no hazard to property, crops or trees and are located at least 150 feet from any dwelling, commercial or industrial building or building for public assembly and at least 75 feet from any highway, road allowance, railway or electric transmission line.

36. The operator of a well shall ensure that,

- (a) all fires used by him for any purpose are safeguarded by sufficient mechanical or other means so that there is no hazard to surrounding property;
- (b) no open-element electric heater or flame-type stove heater, treater or other flame-type equipment is placed or remains within 50 feet, shell to shell, of a well or any unprotected source of ignitable vapour;

- (c) no treater is placed or remains within 50 feet, shell to shell, of any type of direct-fired heater;
- (d) no treater is placed or remains within 10 feet, shell to shell, of any other treater, or indirect-fired heater;
- (e) no separator is located within the dike surrounding a storage tank installation;
- (f) no flare pit or open end of a flare line is located or remains nearer to a treater than 50 feet or nearer to a well or any unprotected source of ignitable vapour than 100 feet;
- (g) all vessels and equipment from which ignitable vapours may issue are safely vented to the atmosphere;
- (h) all motors within 20 feet of a well or any unprotected source of ignitable vapour are so constructed or enclosed as to be gas-tight and spark-proof;
- (i) exhaust pipes of internal combustion engines located within 50 feet of a well or any unprotected source of ignitable vapour are either insulated or sufficiently cooled to prevent ignition of flammable material;
- (j) the exhaust pipe of an internal combustion engine located within 25 feet of a well is equipped with a spark arrester and is either insulated or sufficiently cooled to prevent ignition of flammable material; and
- (k) explosives are stored not less than 500 feet from any place where drilling or production is being carried on.

PLUGGING

37.—(1) The operator of a dry well shall plug the well in accordance with this Regulation forthwith after drilling operations cease.

(2) The last operator of an abandoned well or the owner of the land on which an abandoned well is situate shall plug the well in accordance with this Regulation.

38.—(1) Every person who plugs a well shall do so in a manner that,

- (a) ensures protection for potential oil or natural gas producing horizons;
- (b) prevents the harmful infiltration of water into water, gas, oil or salt horizons;
- (c) constitutes no hazard to users of the surface;
- (d) retains all fluids in their source formations; and
- (e) seals off strata from those above.

(2) The plugging material shall be cement with such other materials as are necessary.

(3) No person shall commence to plug a well until he has given notice to an inspector of the manner in which the plugging is to be carried out.

(4) The person who plugs a well shall complete a record of the plugging in Form 109 and shall forward the record to the Minister within thirty days of the completion of the plugging operations.

DISPOSAL WELLS

39.—(1) Every operator shall ensure that mineral water from a well is stored, transported and disposed of in such a manner as will not cause pollution of surface water or underground fresh water.

(2) No person shall dispose of waste or mineral waters in an underground formation without the approval of the Minister.

(3) Wells for the disposal of waste and mineral waters shall be cased and sealed in such a manner as will prevent the waste and mineral waters from entering any formation not approved for the purpose under subsection 2.

ABANDONED WORKS FUND

40.—(1) The Abandoned Works Fund is established.

(2) \$5 out of every fee paid for a permit to bore or drill a well shall be paid into the Fund.

41.—(1) Where a work is not in compliance with the Act or the regulations and if after notice thereof is given to the operator or, where the name and address of the operator is not known to the Minister, is given to the owner of the lands on which the well is situate the non-compliance is not forthwith corrected, the Minister may take possession of the work and may,

- (a) cause such things to be done as are necessary to make the work conform to the Act and the regulations; and
- (b) remove and sell by public auction the work or any part of it.

(2) Any expense incurred in an action taken under subsection 1 shall be paid out of the Abandoned Works Fund.

(3) The proceeds of a sale under subsection 1 shall be paid into the Abandoned Works Fund.

(4) The Minister may recover from the operator of the work or the owner of the land on which it is situate,

- (a) the expenses incurred in any action taken under subsection 1, where there is no sale; or
- (b) the excess of the expenses over the net proceeds of the sale, where there is a sale.

42.—(1) A tag attached to a work under section 3 of the Act shall be in Form 601 of Ontario Regulation 325/64.

(2) The permission of the Minister to lay an information under section 9 of the Act shall be in Form 602 of Ontario Regulation 325/64.

43.—(1) A person who is required under this Regulation to file a record, return or report and fails to do so shall, upon the written demand of the Minister, file the record, return or report within such reasonable time as the Minister stipulates.

(2) A demand under subsection 1 shall be deemed to be made if mailed by registered mail addressed to the last known address of the person upon whom it is being made.

44. Ontario Regulations 220/62 and 24/63 are revoked.

Schedule

DRILLING SAFETY CODE

1. Every owner of a machine for boring or drilling wells shall take all necessary measures to enforce this Schedule and to ensure that it is observed by every employee under his control.

2. Every employee of the owner shall take all measures to carry out his duties in accordance with such rules as are applicable to the work in which he is engaged.

3. No machine, tool or other equipment shall be used if it is unsafe, or not so constructed or operated that it is reasonably safe for persons employed on or around a machine for boring or drilling wells.

4. Spudding or drilling shall not be commenced until all moving parts of machinery used in the spudding or drilling are guarded and until all necessary floors, stairways and handrails are installed.

5. Every floor, walk, ladder or platform shall be constructed of sound material in conformance with good practice, and shall be kept in good repair.

6. Every drilling floor shall have an exit on at least two sides, and doors on the exits shall open outwards and shall be unlocked when any person enters on the drilling floor.

7. All platforms used in connection with rotary machines shall be adequately constructed and properly fastened and provided with safety railings at least three feet high.

8.—(1) A safety belt shall be provided for and worn by each person working above the derrick floor, and shall be kept in good repair.

(2) Every safety belt shall be securely fastened to the derrick or mast.

9. Hard hats shall be worn by all persons on or around the machine during erection, operation, maintenance or dismantling.

10. Safety goggles shall be provided by the owner of the machine for use by persons employed on or around the machine engaged in mixing chemicals, welding, chipping, grinding, hammering, dressing bits or other operation hazardous to the eyes.

11. All tools and equipment shall be kept in good repair.

12. No person shall be required to enter any tank or other container used for the storage of oil or any product of oil unless,

(a) all fumes have been removed; or

(b) the person is wearing a mask and attended by two other persons.

13. The machine shall have at least two ten pound fire extinguishers of the sodium bicarbonate-carbon dioxide type readily available to the drilling floor.

14. No person shall smoke within seventy-five feet of any equipment used for the separation, measurement or storage of oil or gas, or of any well where oil or gas may be exposed to the atmosphere.

15. Pipe racks shall be adequately constructed and provision shall be made for the clearing or pinning of material on the rack to prevent lateral movement except when required.

16. All chain drives, belt drives, pinions, gears, couplings and other moving parts of the machine shall be covered or fitted with guards, adequate to prevent injury to personnel.

17. Where the owner of the machine requires that only his employees, inspectors and other persons authorized by him may have admittance to the well site, he shall erect notices to that effect.

18. The owner of the machine shall provide a medical kit at the machine and shall maintain the stock of materials in it.
